

## Cyber Safety Narratives and Descriptions by Room 6

Once upon a time in the deep blue sea there lived a catfish called Polly and a swordfish named Cyber. One day they were playing on the internet and they were on Messages. A person came up and it said no name, but they clicked on it anyway. It said, "This is not a joke, you have won \$100,000,000. All you have to do is give us your address, email, your password and your phone number." "Is this safe?" Polly the catfish said. "I think it is," Cyber the swordfish said. Just in time Polly and Cyber's Mum and Dad came in and they said, "Hi kids, what are you doing?" Polly and Cyber said, "We just got an email that said you have won \$100,000,000. Their Mum and Dad said, "No that is sharing your personal information." "Okay we won't press it," and they lived happily ever after.

The Mega Aqua Spiral is a bright night-light. It has bubbly liquidish oil. The oil is pitch dark green. It has shiny plastic and is as amazing as an automatic chrome book. It is as magnificent as a butterfly. It looks as if it is a spiral waterslide and the oil is people.

By Corin

Once upon a time in the ocean there were four girl fishes. They went to the merry-go-round and there was an octopus sitting there sipping a smoothie. He said, "How can I help you young girls?" The girls said, "Yes we want to have a turn on the merry-go-round." Then the octopus said, "Give me your address, email, phone number and password." So they did and then something happened and he went into the bank and stole their money. The police found out.

By Emanuela

I think it looks fantastic to play with. It looks like you can eat and drink it but you can't. It is called Mega Aqua Spiral.

By Cypress

Manny has a Mega Aqua Spiral. It has slippery slimy oil inside. It looks interesting because it is shining like a light.

Thursday 9th June, 2016

Number 17

Dear Parents/Caregivers, Tena Koutou Katoa

### 1) Celebrating Success - Support Staff Day

This week is 'National Support Staff Day' which gives us the opportunity to acknowledge our brilliant support staff. At Ahipara School we are very proud of our support staff team. These dedicated people provide a fantastic service to the school and are the unsung heroes. **John and Carole** provide an outstanding service in the office and ensure administration in our school is run very smoothly and efficiently. **Whio, Dorothy and Te Aroha** keep our classrooms and grounds spick and span, providing the children and teachers with a clean and healthy environment to work and play in. Our fantastic teacher aides - **Kathy, Rata, June, Alison, Lisa Christine and Leanne** support the learning programmes for our children, working hard in the classrooms. All of our support staff go beyond the call of duty, helping our tamariki and teachers wherever possible. We value our support staff and would like to say a big "Thanks Team."

### 2) Kiwi Netball Tournament

Today we were meant to send a Year 1 and 2 team to the 'Far North Kiwi Netball Tournament'. This tournament is to encourage both boys and girls to get active, have fun, make new friends and learn a new skill. Unfortunately this has been postponed to next **Tuesday 14th June**. Our team have been training hard for this tournament and we wish them the best in this exciting venture.

### 3) Mid Year Reports and Three Way Conferences

On **Wednesday 6th July** we will be holding our annual Parent/Child/Teacher Report Conferences. Interview times will start from 8:00am and will finish at 6:00pm. During this time our teaching staff will not be available for normal teaching duties. **I would also like to state that you will only receive your child's report at the actual interview.** The main reason for this, is so that we can have the opportunity to explain your child's report in depth with you. We

strongly recommend that you bring your child to the interview as they are the main stakeholder in the partnership that can ultimately effect positive change to their achievement levels. Students will also be taking an active role in this process and will be reporting on their progress in literacy. In the coming week all pupils will be given a slip to take home for parents to select preferred times for these interviews. You will be given a choice of three options to enter on the slip just in case your times are already taken. The 15 minute time slots will be allocated on a 'first in, first served' basis. These times will be confirmed with you on **Monday 4th July**. A reminder of your interview times will be sent home with your child prior to the interview day. We are hopeful that with a **combined effort from home and school we can see our pupils achieving to the best of their abilities**. If you are unable to attend this interview day, please don't hesitate to contact your classroom teacher to make alternative arrangements. **We are aiming for 100% attendance, so our students can be provided with a report on their achievements to date this year.**

#### 4) e-learning Sites

If you have internet access and would like to have access to some learning sites for kids here are a few to get you started.

#### 5) Rugby League Tournament

Yesterday our school had three teams entered in the annual Rugby League tournament. The behaviour of our students were a credit to our school, especially showing our school values. Our teams played like warriors, with each team gaining at least one win under their belt. A huge thank you to our staff and parents who came to support them.
