

Room 8 - Making Kale Chips

Kale Chips

A mess forms in the school staff area, people shouting. Crunch, crunch, crackle! What a mess! Room 2 waiting in room 1. A crowd was forming. People shouting mmmmmm so yum! The smell in the air smelt like the salty sea. All the yeses and all the nos.

Blackish brownish with a bit of green curling on a bit of stem. Kale coming out of the oven smells salty, and like roasted marshmallows. Tastes nice and salty with a bit of smokiness. When you bite into them the chip goes 'crunch' 'crunch' in your mouth.
