2) Uniforms

The expectation is that all students will be wearing our school polo shirt in either yellow or black and our school uniform hats. Both of these can be purchased at The Warehouse. Our uniform policy is available for viewing at the office and we welcome any feedback. We have heard that is not easy to purchase black bottoms in Kaitiaia at the moment so plain dark clothing will be acceptable – no loud colours or patterns please! We think that the students look really smart but **please** ensure that all clothing is clearly named to avoid children losing their clothing, especially during swimming.

3) Partnerships

We believe emphatically that children learn best when there are strong partnerships between home and school. As a result we have an open door policy and warmly invite you to drop in at any time to visit your child's classroom (please sign in at the office first). If you have any information regarding your child that would assist us in developing personalised learning programmes, please let us know. If you have any concerns about any aspect or your child's schooling, we will do our utmost to assist. Please let us know as soon as possible as early intervention can prevent concerns becoming big problems.

4) Stationery

Stationery lists are being sent home with each student today. It is important that children purchase these items as soon as possible to enable a quick start to the year. We have tried to keep costs to a minimum but please contact the school if there is any difficulty in making the payment. All of the items can be purchased through the school but parents may prefer to shop around. If you are purchasing elsewhere, please ensure that you purchase the same items as listed. Different books have different size spacing's and lines in them and may not be suitable.

5) School Fees

Included on the stationery list is information about our different school fees.

- **Paper Levy-a voluntary fee for paper usage**
- **Activity Fee** - An optional one off fee which covers all school activities for the year (but not class activities as these vary from room to room). This is instead of parents having to find the money every time an event arises.
- **Technology Fee** - Students in Years 7 & 8 travel fortnightly to Kaitiaia Intermediate for Technology. This fee of \$34 is set by the Intermediate and can either be paid to them or to us and we will forward it on your behalf. Technology this year will take place on a **Wednesday**. The first Technology session for our pupils is **tomorrow Wednesday 1st February 2017**.
- **Bus Fees** - The town bus run is not part of the Far North Bus Transport Network but is a separate bus run organised by the school to assist parents who wish to send their children to our school. If they wish to use this bus, rather than provide their own transport, they will have to share in the costs. Costs are \$4.00 per child or \$6.00 per family per week. We offer a 10% discount if fees are paid in advance for the whole term.

• **Casual Bus Use is \$2**

Casual bus users may only use this bus service if there is enough space available and they must have written permission from their parents/caregivers or alternatively parents may contact the school and make these bus arrangements through the office.

For Term One there are 11 weeks, if fees are paid by Friday 17th February :

- Per child **\$39.60**
- Per family **\$59.40**

**IMPORTANT NOTICE FROM BUS COMPANY
THERE WILL BE NO SCOOTERS ALLOWED ON THE BUS**

6) Newsletters

Just a reminder to parents that a school newsletter is sent home each week on a Thursday with the oldest child in the family. Children should be capable of getting the newsletter home, however, if your oldest child is proving unreliable, let the office know and we will send it home with another member of the family. This newsletter takes the place of this Thursdays. These newsletters are placed on our website and facebook page
