Animal Village. There was so much interest from schools wanting to share in animal welfare learning, the position of Education Manager was created and Shelley became part of a fantastic team of SPCA Education Officers and animals specifically selected to be part of the delivery of SPCA education. Today, she works as an Auto Angel - with her other passion, which is cars! Auto Angels is an all-female sales team finding the right car for families. She is currently modifying her classic muscle car (hot rod) to take drag racing at Meremere raceway. You are welcome to join us at the Clubrooms for this event.

4) Health and Safety

Health and Safety in our school requires that we know who is on the school grounds during the school day. Visitors to our school please come to the office first and sign in. We now have an electronic sign in system for visitors which is quick and easy to use. You also need to sign out any student leaving school early or for an outing such as lunch and then sign them back in when they return. If you are dropping lunches, etc off to your children, you can leave these at the office to be delivered to your child's class.

5) End of Term

The last day for this term will be **Friday 29th September**. School will be closed for two weeks break and will recommence on **Monday 16th October**.
