

Room 5

WHAT ARE YOU GRATEFUL FOR?

Gratitude means thankfulness, counting your blessings, noticing simple pleasures, and acknowledging everything that you receive. Here are the things Room 5 students are grateful for ...

Winter-May: My family & how they support me.

Travis: My mum and Nan because they provide me with food.

Garnet: My brother because he's good company for me.

Skylla: Having a loving family and a funny dad.

Kelsey: A roof over my head and food everyday.

Bella: Fresh water to drink and that I'm not allergic to anything.

Wiremu: My life, because without it I wouldn't be here.

Simeon: My nan because she helps me with my homework and makes my lunch everyday.

Brandyn: For having a caring brother who plays with me everyday, so I'm not lonely.

Manny: Having the canteen to provide us with breakfast at school, especially for the kids who don't have breakfast at their house.

Te Paea: Having my family because they buy me good things.

Kimmie: My mum and dad, because without them I wouldn't be here right now.

Rapata: That I have friends because they let you go over to their house to play.

Number 36

Dear Parents/Caregivers, Tena Koutou Katoa

1) Gala

Firstly, a huge **THANK YOU** to all those parents, caregivers, local businesses and community members who supported our Gala this year. Your contribution was greatly appreciated by all and I know our pupils will benefit immensely from the awesome donations we received. I would like to make a **special mention to Shavelah Clark-Hobson, our PTA committee and all our wonderful staff** for all the extra mahi/work they did to make this a successful Gala. As a community we managed to raise a whopping **\$15,000 profit**, which is an awesome achievement.

THANK YOU FOR YOUR SPONSORSHIP!

AHIPARA SCHOOL GALA

2017

2) Raising Student Achievement

As many parents will know we are at the business end of the school year, which means all classes are carrying out very important assessments to gather results about individual pupil progress. These results are then entered into your child's end of year report. **I cannot stress enough how important it is that your child attends school for the remainder of the year.** As per normal we collect and analyse data at the beginning of the year and at a mid year point, so we can ensure that our programmes are catering for the specific needs of each individual child in our school. As a whole learning community we are looking forward to seeing some positive results as all our pupils and staff have worked extremely hard throughout the year.

3) End of Year Production 2017

This year we will be holding our usual very entertaining school dance production. All classes have been practising extremely hard since the beginning of the term and I believe we will be in for a fantastic night. The production night will be held on **Thursday 7th December** and will start at approximately **6:00pm**. If you would like to have a food stall on the night please let the office know.
